ACTIVITIES

PRAYER CALL:

Most Fridays President Janice conducts a prayer conference call at 1:00 PM. Usually, a text is sent out as to whether they will have the call that day. If you are interested in joining the group, either email

<u>Stevensvillelighthouseaglowint@gmail.com</u> with your name and cell number or call to be added to the prayer group and receive the conference number and code.

GAMECHANGER AND LIFECHANGER COURSES:

As needed Stevensville Aglow Lighthouse conducts these five or six session personal development and leadership development courses. The GameChanger course is a requirement for leadership in Aglow but anyone may take either or both of these courses and be refreshed on a new perspective of how valuable you are to the kingdom of God and how to operate with a renewed mindset.
